About The TBH Task Force on Homelessness

In the spirit of Tikun Olam, the TBH Task Force on Homelessness was formed to help find ways of addressing the homelessness crisis facing our city and improving the lives of people living on the streets of our communities. We do this through:

ADVOCACY: Advocating for housing solutions by supporting construction of Bridge and Permanent Supportive Housing and pushing for rent control. In the end the only solution to homelessness is more affordable homes.

EDUCATION: Inviting speakers to educate our congregation about issues affecting people experiencing homelessness so we can respond to the crisis from a place of knowledge and empathy rather than fear.

ACTION: Volunteering with our partner organizations. More housing is the ultimate solution but there are many needs we can address right now through our support.
