

TBH Brotherhood

With devotion to service, personal support, and spirituality, Brotherhood members build friendships, provide meaningful services to our congregation and the neighboring community, and have fun along the way.

Brotherhood Always in Action.

High Holy Days. We serve as Ozreem (ushers).

Passover. We host the Community Mens' Seder at the synagogue, and assist with cooking and games at Seder in the Desert.

School Events. We cook pancakes for the first day of Religious School, and participate in end of term activities.

Social Events. We hold joint events with the Women of TBH, throw sports-themed parties for the men, and movie nights for families.

Thanksgiving. We feed over 800 community members at our annual Feast of Caring on Thanksgiving Day.

Yom HaShoah. We distribute yellow candles in remembrance of those lost in the Holocaust.

Man of the Year Banquet. We join with other synagogue mens' clubs to honor outstanding character and devotion to service.
